

Enrichment Programmes

June and July 2022

Educational and fruitful after-school programmes that enrich children's learning and development in diversified areas.

Fun with Taekwondo

Language of Instruction:
Cantonese supplemented with Korean

This Taekwondo programme aims at enriching children with the spirit of Taekwondo and to providing a strong foundation for character building. Children are encouraged to progress through the belt system: white, yellow, green, blue, red and black so that they can mature physically and spiritually. Examinations will be organized for the children around once per year (subject to the child's progress). This programme is well-structured and well-recognized, so that the children can bridge up to other Taekwondo classes in the future even when they graduate from our Kindergarten.
