Thank you for your support and trust. To ensure a clean and safe environment for our young children, maintaining good personal hygiene is essential. It is also important that you follow our preventive measures, as follows:

1. Before entering the school premises, please ensure that you and your child have properly donned a face mask, have your body temperature checked, and hands thoroughly sanitized.
2. (Parent) Conduct a Rapid Antigen Test (RAT) at home. Write the date and name on the test stick, take a photo of the negative test result with a mobile phone, and WhatsApp the photo to 91946440 for checking before entering the school premises.
3. Scan the LeaveHomeSafe and vaccination record QR code before entering the premises. The "Vaccine Pass" has been implemented in all schools since the 24 February 2022 and is applicable to all parents entering the school. The vaccination requirement for people over 12 years old is to receive a third dose of the vaccine.
4. Please do not attend playgroups if you or your child are identified as "close contacts" or "close contacts" of "confirmed"/"preliminarily confirmed" cases. You must undergo quarantine/testing in accordance with the instructions of the Centre for Health Protection and do not return to school.
