The word "Playgroup" is written in large, colorful, rounded letters. Each letter has a small cartoon child character standing on top of it. The children are diverse in appearance and are holding hands. The logo is set against a white cloud background.

Playgroup

Attending playgroups is the stepping stone for a successful school life. Your child will meet new friends and develop new skills through listening to and singing musical rhymes, making art and engaging in language activities with our native-speaking English teachers.
