Project fun for Whole day children

Language of Instruction: English + Putonghua

Our Kindergarten provides a whole day summer program. By using a project approach, children can build up their English communication skills. It also allows them to develop their problem solving skills and be creative. Most importantly, the children enjoy the project approach and have fun learning many skills this summer! **(For Think students only)**

Fun with Taekwondo

Language of Instruction: Cantonese supplemented with Korean

This Taekwondo program aims at enriching children with the spirit of Taekwondo and to providing a strong foundation for character building. Children are encouraged to progress through the belt system: white, yellow, green, blue, red and black so that they can mature physically and spiritually. Examinations will be organized for the children around once per year (subject to the child’s progress). This program is well-structured and well-recognized, so that the children can bridge up to other Taekwondo classes in the future even when they graduate from our Kindergarten.
