## Project fun for Whole day children

Language of Instruction: English

Our Kindergarten provides a whole day summer program. By using a project approach, children can build up their English communication skills. It also allows them to develop their problem solving skills and be creative. Most importantly, the children enjoy the project approach and have fun learning many skills this summer! (For our UN, Bunnies, Deer, LK & UK students only)

Code	Language	Age	Day	Time	Fee	Class Dates (3 weeks)

# Fun with Science Exploration

**Language of Instruction: Cantonese**

Joint programme with Hands On Science Outreach (HOSO)

*Students with attendance of 80% or above will receive certificate*

Our selected science courses are aimed to broaden the horizons and stimulate “science in your life” awareness to the children.

The children will learn through fun and active involvement in experiments, games and projects. There are hands-on materials used in every class that will go home with children.

## Theme : Air and Flight

Can you slow down a dropping object with a parachute? Let’s build a jet with straws and be inspired. How does your whirlybird twirl through the air? Enjoy the loops and twists that stunt plane takes.

# Fun with Taekwondo

Language of Instruction:

Cantonese supplemented with Korean

This Taekwondo programme aims at enriching children with the spirit of Taekwondo and to providing a strong foundation for character building. Children are encouraged to progress through the belt system: white, yellow, green, blue, red and black so that they can mature physically and spiritually. Examinations will be organized for the children around once per year (subject to the child's progress). This programme is well-structured and well-recognized, so that the children can bridge up to other Taekwondo classes in the future even when they graduate from our Kindergarten.
